ADDITIONAL REQUIREMENTS (cont.)

Edmond Electric will charge a not to exceed cost, including labor, material and fleet charges, for the extension of electric facilities.

The Customer or HOA must return the signed Work Authorization to Edmond Electric. By signing the Work Authorization, the Customer or HOA has 1) authorized Edmond Electric to begin installation of the requested lighting, 2) agreed to pay any not to exceed amount stated in the Work Authorization. Edmond Electric will not begin installation without a signed Work Authorization. The entire not to exceed amount must be paid in full prior to energizing the lights.

In the event an HOA is requesting the installation of outdoor area lighting, a signed agreement from each affected property owner authorizing the placement of lights within the right of way adjacent to, within existing easements on or directly on their property must accompany the signed Work Authorization form. The Work Authorization form must be signed by the homeowners association President or their duly authorized representative.

Additionally, for all outdoor area lighting installations,

- 1) Edmond Electric shall be furnished, without cost, all rights, permits and easements necessary to permit the installation and maintenance of Edmond Electric's facilities on private property.
- 2) The facilities furnished by Edmond Electric shall remain the property of Edmond Electric.
- 3) The facilities shall be installed at a mutually agreeable location on the Customer's or property owners premises.
