PUBLIC ART

Much of this information is courtesy of 
the Edmond Visual Arts Commission and the Edmond Historical Society.

Come See our Artful way of living. As a community, Edmond has made a strong commitment to art. Through the support of individual business owners and private citizens alike, with programs such as the Edmond Visual Arts Commission, you will see striking life-sized bronzes permanently installed throughout the city as well as numerous murals and other noteworthy pieces tucked into corners and waiting to surprise you with unexpected beauty. The public art displayed throughout the community helps to make Edmond a city truly unmatched in the heartland. Take a moment to see some of these beautifully unique works of art during your visit.
