

## 2018 SUMMER CAMPS

**SIGN UPS OPEN ON APRIL 2<sup>ND</sup> Call 405.359.4630 for more info**

### Kindermusik Camps!!

Register at [www.MusicalMelnOKC.com](http://www.MusicalMelnOKC.com)

#### Disney Mini Musical

"When You Wish Upon A Star... Makes no difference who you are..." If your child loves Disney and music, this is the camp to register for! The cast will help choose some of their favorite Disney songs and assemble a 20 minute show choir style musical complete with speaking parts and props. Students will strengthen their singing voices through vocal play and exercises as well as learn musical and theatrical terminology. Rehearsals will be full of fun and games, with creative play, instrument play, and snacks included. The performance will be held at 11:30am on Friday! Includes: T-shirt and a prop to take home.

Ages 5-9 Min/Max: 5/10

M-F June 4 – 8 9:00 – 11:30 a.m. \$130.00

*\*Discounts are available for registering for multiple Kindersmusik camps*

#### ALL KEYED UP! Keyboard Camp

A Camp Favorite is back! We're All Keyed Up! There is magic to be found in those 88 keys! Immerse yourself in the magic of keyboards of all kinds. Listen to and learn about pianos, organs, synthesizers, and harpsichords. You'll explore staccato and legato sounds, get to know the sounds of a few famous composers, and even experiment with composition. This is the perfect way for a young child to build keyboarding skills needed for formal piano lessons in a fun class-style environment filled with storytelling, games, vocal exploration, musical instruments, snacks and more! Sharing time on Friday with caregivers at 2:40pm. This class is for NEW & BEGINNER piano players! Includes Kindermusik Take Home Materials + Castanets, and a Beginner Piano Book.

Ages 5-9 Min/Max: 5/10

M-F June 4 – 8 12:30 – 3:00 p.m. \$130.00

*\*Discounts are available for registering for multiple Kindersmusik camps*

### Tippi Toes® Camps

Register at [www.TIPPITOESDANCE.com](http://www.TIPPITOESDANCE.com)

#### Spirit camp

Do you love music and love to dance? Students at Spirit Camp will learn kid-friendly cheer and dance choreography to upbeat, age-appropriate music. They will also work on cheers, various crafts, and confidence and team-building activities throughout the week. Tippi Toes® Spirit Camp is sure to be an awesome time for your child! Parents are invited to a mini-performance on the last day of camp.

Ages 3-7 Min/Max: 5/10

M-F July 17 – July 20 1:00 – 4:00 p.m. \$150

#### Princess Camp

Once upon a time in a not so far away land, Tippi Toes® planned a magical Fairy Tale Dance Camp. Princesses will come from near and far to spend time with princesses, super heroes and other special magical characters. Together they will dance, share stories, play games and work on special crafts. At the end of the week, they will each get to invite a special person to join them at an awards show and a special performance. We would love for your child to dance into our fairytale!

Ages 3-7 Min/Max: 5/10

M-F July 17 – July 20 9:00 a.m. – 12:00 p.m. \$150

## Teams of Tomorrow Camps

Register at [www.teamsoftomorrow.com/TOTNorman](http://www.teamsoftomorrow.com/TOTNorman)

**Teams of Tomorrow Cowboy/Basketball Kamp** Your child is going to have a “Rompin Stompin” experience. Students will learn many fancy basketball handling skills while having some good ole cowboy fun during each class and making some cool crafts. Children must be potty trained.

Ages: 3-6 Min/Max: 4/12  
W-F June 20 – June 22 9:30 a.m. – 12:00 p.m. \$130.00

**Teams of Tomorrow Space Kamp.** Your child is going to have an “Out of this World” experience during TOT Space Kamp. Students will learn many fancy ball handling skills while they explore the universe during each class and make cool crafts. Children must be potty trained.

Ages: 3-6 Min/Max: 4/12  
W-F July 25 – June 27 9:30 a.m. – 12:00 p.m. \$130.00

## Mad Science Camps

Register at [www.OKC.MadScience.org](http://www.OKC.MadScience.org)

### Jr Explorations

Children explore different topics during this fun five-day camp. They take a trip through the solar system where each student become a Mad Science Astronaut in training. They make a space shuttle to take home. In an ‘explosive’ session students get introduced to simple chemistry fun. We simulate a volcanic eruption, observe protein molecules in action as they turn into explosive colors, and more. They get fascinated with light and learn how shadows and rainbow colors are made using a rainbow catcher. They mix colors of light and explore the world of color. Take an imaginary trip to the beach and see how sand is made. Meet creatures that live in the ocean. Examine different shells, a starfish, & a sponge; and see how different sea creatures live. Make a tiny ocean to carry home! This is a week of fun exploration and discovery!

Ages PreK to 1<sup>st</sup> Grade Min/Max: 8/20  
M-F June 11 – June 15 9:00 a.m. – 12:00 p.m. \$170  
M-F July 9 – July 13 9:00 a.m. – 12:00 p.m. \$170

### Little Agents and Detectives

Children learn basic skills in observation and problem solving in this fun filled camp on detective science and spying. They learn how to collect evidence and such as fingerprints, shoe tracks, fibers etc. They learn how the importance of good observation when together they work on making face profiles. What is more fun than spying! They learn and work with tools that spies use such as a “spynocular”, metal detectors, listening gadgets and more!

Ages PreK to 1<sup>st</sup> Grade Min/Max: 8/20  
M-F June 25 – June 29 9:00 a.m. – 12:00 p.m. \$170

### Nature, Bugs and Blossoms

Young explorers discover the natural world of bugs, plants and humans! They learn the life cycle of a seed on to a fully grown plant. They investigate how the sun, the wind and the rain affect life—including not just plants but even creepy crawlies and bugs. They become weather artists using rain and wind as their tools! They explore the life of a caterpillar and discover how it turns into a beautiful butterfly. They make their own bug bracelet. They discover the difference between fruits and vegetables from their

own placemats. They then make a mural of a garden with their fellow campers. This camp introduces the children to the beauty and awe of the world they live in!

Ages PreK to 1<sup>st</sup> Grade Min/Max: 8/20  
 M-F June 18 – June 22 9:00 a.m. – 12:00 p.m. \$170

**Youth Summer Camps**

**Kids Can Sew** Register with Edmond Parks and Recreation

**Sewing Camp**

You will have lots of fun learning how to sew, thread and operate a sewing machine, cut patterns and more! You will get to take home 3 finished projects made by you. There will be a new project each day.

Ages: 6- 18 Min/Max: 2/7  
 T-FR June 19 – June 22 4:30 – 6:30 p.m. \$80  
 T-FR July 17 – July 20 4:30 – 6:30 p.m. \$80

**Children’s Visual Arts Academy Camp** Register with Edmond Parks and Recreation

**Focus on Photography**

Focus on Photography is a hands on summer camp that inspires your youth or teen with visual art activities, community building, museums field trips, and more! Your child will learn aspects of the camera digital and film, composition, rule of thirds, action images, along with other fun activities that will keep your kiddo engaged and happy.

**Registration fees:** 9:00 – 12:00 p.m. \$75 (1/2 day)  
 12:00 – 4:00 p.m. \$75 (1/2 day)  
 9:00 – 4:00 p.m. \$150 (Full day)

*We will take regular field trips, for those trips campers will be required to bring \$10*

Ages: 7-17 Min/Max: 2/10  
 M-F May 29 – June 1 9:00 a.m. – 4:00 p.m.\*  
 M-F June 11 – June 15 9:00 a.m. – 4:00 p.m.\*  
 M-F June 18 – June 22 9:00 a.m. – 4:00 p.m.\*  
 M-F July 9 – July 13 9:00 a.m. – 4:00 p.m.\*  
 M-F July 16 – July 20 9:00 a.m. – 4:00 p.m.\*  
 M-F July 30 – Aug 3 9:00 a.m. – 4:00 p.m.\*  
 M-F Aug 6 – Aug 10 9:00 – 4:00 p.m.\*

*\*there are half day options, see the fee list above*

**Kids in the Kitchen** Register with Edmond Parks and Recreation

**Young Foodie Exploration Camp**

Exploring all aspects of food from farm to table. We will tour local farms, meet with local chefs and tour grocery stores.

Ages: 7 & Up Min/Max: 2/10  
 M-F June 11 – June 15 9:00 a.m. – 12:00 p.m. \$185  
 M-F July 9 – July 13 9:00 a.m. – 12:00 p.m. \$185

**A Journey into Outer Space**

From our Earth’s atmosphere to the outer reaches of our solar system, this camp sends young astronauts on a quest for exploration! Explore the farthest reaches of our solar system and create a lunar eclipse in this “mad” planetary tour! Make a comet using common kitchen ingredients and understand a comet’s composition. Discover technology designed for outer space! Steer a laser beam through a laser maze, find hidden mountains using the principles of radar technology, and discover everyday objects that were originally designed for use in space! Use your Bead Dipper™ to create a 3-dimensional glow-in-the-dark constellation! Then, it’s your chance to become a rocket scientist! Investigate the four forces of flight, and explore the science involved in rocket construction. Then all campers build their own shuttle copters to take home.

|  |                   |                        |       |
|--|-------------------|------------------------|-------|
| <u>Ages 2<sup>nd</sup> to 5<sup>th</sup> Grade</u> |                   | <u>Min/Max: 8/20</u>   |       |
| M-F  | June 11 – June 15 | 9:00 a.m. – 12:00 p.m. | \$170 |

**Crazy Chemistry**

Shake up a flask of fun in the lab as a Junior Chemist! Try your hands as a real Mad Scientist in this whirlwind camp packed solid with cool reactions. Explore Bubbling potions, slimy polymers, color-changing liquids, dry ice bubbles, and solids that disappear in an instant! Start out the week learning about laboratory equipment at your personal lab bench. Then, slide down the PH scale and spend a day finding out how different chemicals react when mixed together. Build and break molecules and grow crystals in a petri dish. Ooze into a gooey day of making crazy concoctions like glow putty, glow spheres in a test tube, thermochromic mixtures, and guar gum brain goo! Round out this radical week by manipulating matter in all of its three states! Take home a full set of Mad Science lab gear that includes a graduated cylinder, a flask, test tubes, goggles, and a lab coat. Come take a walk on the wild side of chemistry!

|  |                   |                        |       |
|--|-------------------|------------------------|-------|
| <u>Ages 2<sup>nd</sup> to 5<sup>th</sup> Grade</u> |                   | <u>Min/Max: 8/20</u>   |       |
| M-F  | June 11 – June 15 | 1:00 p.m. – 4:00 p.m.  | \$170 |
| M-F  | July 30 – Aug 3   | 9:00 a.m. – 12:00 p.m. | \$170 |

**Chemicals, Cells and Crime**

Get ready for a day in the Mad Science Laboratory! Children turn a lemon into a battery. They discover electrochemical reactions as they electroplate a penny and a nickel. They learn how new compounds are created from chemical reactions. They then take a fantastic trip into “cell city” and the human body. They learn about cells and the different parts and functions of a cell. They investigate the different organ systems and make a gutsy apron and a model lung to take home. They team up fellow campers to solve the “Great Cookie Caper” crime. They walk the grid and collect evidence solve the crime. They test their forensic skills to solve the crime and make their own cookie snack. There is so much to explore during the day!

|  |                   |                        |       |
|--|-------------------|------------------------|-------|
| <u>Ages PreK to 1<sup>st</sup> Grade</u> |                   | <u>Min/Max: 8/20</u>   |       |
| M-F                                      | June 18 – June 22 | 9:00 a.m. – 12:00 p.m. | \$170 |

**Brixology: Engineers Shape the World**

Get ready for the Bridges, Bricks, and Blast-Off Brigade! Campers step into the shoes of engineers in this Mad Science FUN'gineered camp full of rockets, wacky machines, flying devices, roller coasters, and Bricks! Your future engineer will use their creativity to solve real-world design challenges. Children will have the opportunity to use LEGO® bricks to build engineering-themed projects related to machines and

boats. Children will also build skyscrapers and bridges. Blast off a variety of rockets propelled by model engines, air, and water. Discover Newton's Laws of Motion with CO2 powered dragsters and test team car designs on our 8 foot egg crusher apparatus! Campers build and take home engineering projects such as drawing machines, micro-pincher's, a wooden cube puzzle, balloon car, flying fizzler rockets, and the Wave Rider Boat and Skyroller Zipline cable car that is compatible with campers LEGO® bricks at home! Let the tinkering begin!

| <u>Ages 2<sup>nd</sup> to 5<sup>th</sup> Grade</u> |                   | <u>Min/Max: 8/20</u>  |       |
|--|-------------------|-----------------------|-------|
| M-F  | June 18 – June 22 | 1:00 p.m. – 4:00 p.m. | \$180 |
| M-F  | July 16 – July 20 | 1:00 p.m. – 4:00 p.m. | \$180 |

### **LEGO Mindstorms Robotics**

Children explore the exciting world of robotics! Two campers work together to build a programmable robot using the Lego Mindstorms platform. They learn the parts of a robot and how they function. They work with ultrasonic, touch, color and motion sensors which collect information around them. The program interprets this information and make the robot respond to its environment. Children make the robots move, identify colors, follow a line and avoids objects around. They will build different projects of varying degrees of challenge from simple to complex. These future roboticists will learn teamwork, problem solving and critical thinking skills, and develop the value of self-motivation and resourcefulness.

| <u>Ages 2<sup>nd</sup> to 5<sup>th</sup> Grade</u> |                   | <u>Min/Max: 8/20</u>   |       |
|--|-------------------|------------------------|-------|
| M-F  | June 25 – June 29 | 1:00 p.m. – 4:00 p.m.  | \$180 |
| M-F  | July 16 – July 20 | 9:00 a.m. – 12:00 p.m. | \$180 |

### **Gross and Icky Science**

Welcome to Gross and Icky Science Camp! Be ready for a week of ick-speriments and ick-splorations in chemistry, physics, the science of human body systems and the creepy and crawly animal world. We learn about chemical reactions and polymerization as we make ooey, gooey oobleck and slime. We discover the composition of blood using edible foods, how filtration works in our urinary system using common kitchen materials. Understand osmosis by popping eggs into vinegar and syrup. There are owl pellets to dissect and learn about their diets and slimy worms and how they live to make our ground fertile. This is an absolute week of fun and icky-science!

| <u>Ages 2<sup>nd</sup> to 5<sup>th</sup> Grade</u> |                   | <u>Min/Max: 8/20</u>   |       |
|--|-------------------|------------------------|-------|
| M-F  | June 25 – June 29 | 9:00 a.m. – 12:00 p.m. | \$170 |
| M-F  | July 23 – July 27 | 1:00 p.m. – 4:00 p.m.  | \$170 |

### **Puzzling Codes, Sport Science and Nature**

Spend five days with Mad Science exploring the 'awesomeness' that is science! Discover how to send secret messages to your friends using special codes. Children learn how to talk with numbers, just like computers, and create their very own code "crackers"! What do football players, scientists and ballet dancers have in common? Explore how Newton helps us learn why we move the way we do, and improve the games we play. Campers experiment with games and activities while learning how physics and chemistry affect their equipment, movement, and technique. Learn about your surrounding environment and how science help us protect our planet. How are we hurting Mother Earth? Children will understand the basics of water pollution, acid rain, and the greenhouse effect. By actively recycling their own garbage, they create a personal item to take home and actually use!

| <u>Ages 2<sup>nd</sup> to 5<sup>th</sup> Grade</u> |                  | <u>Min/Max: 8/20</u>   |                               |
|--|------------------|------------------------|-------------------------------|
| M-F  | July 2 – July 6* | 9:00 a.m. – 12:00 p.m. | \$150 *4 day camp, skip Jul 4 |

### **Bridges, Birds, Machines and ‘Che-mystery’**

Build arches and geodesic domes. Test loads and build some bridges; put on an engineer’s hat and learn about structures. Find out how wedges, screws, and levers help with our daily lives. Use simple machines to complete different tasks like lifting weights and launching marshmallows. Walk on the wild side of things to explore owls, birds, and all kinds of bugs. Learn about polymers and crystals, make and take them home! Kitchen Chemistry comes alive as campers make concoctions using fun and tasty ingredients—and eat them as well even as they learn about chemical reactions!

Ages 2<sup>nd</sup> to 5<sup>th</sup> Grade

Min/Max: 8/20

M-F                      July 2 – July 6\*                      1:00 p.m. – 4:00 p.m.                      \$150                      \*4 day camp, skip Jul 4

### **Magical and Fizz-ical Science**

Welcome to a fun- filled and magical science camp as children learn a variety of ahhh-mazing exploration of our fizz-ical world! It’s one of our new favorites with fast paced experiments one after another in topics like laser light, electricity, super power and energy, and magnets! Create some ahhh-mazing reactions and discover the mystery of chemistry. Watch crystals grow and make fun-tabulous art using shaving cream. Dive into electricity by experimenting with squishy circuits and mini Van De Graff sticks. Learn about power and energy by building chemical batteries and solar powered devices. Use lasers to send music across the room and print 3d Holograms. Learn the magic behind magnets by building speakers, levitating magnets, and making magnetic putty. In this camp, you will certainly become a certified “Mad” Scientist! It’s a camp so great it’s Super-Duper!

Ages 2<sup>nd</sup> to 5<sup>th</sup> Grade

Min/Max: 8/20

M-F                      July 9 – July 13                      9:00 a.m. – 12:00 p.m.                      \$170

### **Rocking Rockets and Aerodynamics**

This camp takes the children through the principles of flight and aerodynamics. They build airplanes, hovercraft and balloon copters. They discover what makes things fly and how different types of flying devices fly. They explore the role that wind and the movement of air plays on simple flying devices such as kites, hot air balloons and parachutes. What is the Milky Way and how do we know what’s up there? Children explore the celestial sphere, learn about celestial navigation and build their own sextant, sundial, planisphere and even a refracting telescope while discovering the wonders of the Milky Way. This is a camp that takes children to exhilarating heights all summer long!

Ages 2<sup>nd</sup> to 5<sup>th</sup> Grade

Min/Max: 8/20

M-F                      July 9 – July 13                      1:00 p.m. – 4:00 p.m.                      \$180

### **Eureka! The Mad Inventor’s Camp**

Inspire the inventor and scientist in you during this week of discovery and invention. Each day children will be given a series of challenges which must be overcome using basic materials, simple machines, tips from world famous inventors and the most important thing of all – your mind! If you were stranded on a desert island how would you survive? You will need to build shelter, find food and purify water, protect yourself and your teammates from the elements and find a way off the island. Journey to the future and examine the ultramodern inventions of the 23rd century. Then design the future - today! Create mini light sabers, mini-space stations, and electric flying contraptions. With a little bit of ingenuity, you’ll construct catapults and forts, build Ruberg contraptions that perform simple tasks, and experiment with humanoid robots. Take home projects include ping-pong ball launchers, mousetrap contraption cars, mystery sticks, tubular blow darts, and other wacky contraptions. While Thomas Edison said, “invention is 10% inspiration and 90% perspiration” this camp is 100% FUN!

Ages 2<sup>nd</sup> to 5<sup>th</sup> Grade Min/Max: 8/20  
M-F July 23 – July 27 9:00 a.m. – 12:00 p.m. \$170

**Secret Agent Lab**

Suspects, schematics, and sleuths... oh my! Connect the dots using science to help solve a crime in this hands-on investigation of the science of sleuthing. Children use the ‘scene solver’ to reconstruct the scene of a crime. Using the ‘whodunit-kit’, they can practice their skills of recall and observation— matching character descriptions to reconstruct the face of the culprit! Look out 007—the Mad Science spy academy is in session! From decoding messages to metal detectors and night vision, children have the opportunity to check out spy equipment and even create their own edible messages! They use the ‘secret code breaker’ to communicate in code, like real spies. With the ‘undercover observer’, children step into the shoes of spies in action. It will be a week of camp to remember! Children take home a detective tool at every session.

Ages 2<sup>nd</sup> to 5<sup>th</sup> Grade Min/Max: 8/20  
M-F July 30 – Aug 3 1:00 p.m. – 4:00 p.m. \$170

**Movie Mondays! Register with Edmond Parks and Recreation**

**Harkins Summer Movies Program**

We will be taking weekly trips down to the Harkins theatre in Bricktown, transportation is provided, we will depart from the MAC at 9am, movie start time will be 9:45a.m., returning to the MAC after the movie has ended, thus return time will be dependent on the movie title.

| <u>Harkins Summer Movies (ages 7-14)</u> |                          | <u>Min/Max: 3/10</u> |     |
|--|--------------------------|----------------------|-----|
| May 28                                   | Smurfs: The Lost Village | 9am                  | \$3 |
| June 4                                   | The Lego Ninja Movie     | 9am                  | \$3 |
| June 11                                  | Boss Baby                | 9am                  | \$3 |
| June 18                                  | Despicable Me 3          | 9am                  | \$3 |
| June 25                                  | SING                     | 9am                  | \$3 |
| July 2                                   | Ferdinand                | 9am                  | \$3 |
| July 9                                   | The Emoji Movie          | 9am                  | \$3 |
| July 16                                  | Captain Underpants       | 9am                  | \$3 |
| July 23                                  | Paddington 2             | 9am                  | \$3 |
| July 30                                  | Kubo & the Two Strings   | 9am                  | \$3 |

**Summer Field Trips Register with Edmond Parks and Recreation**

Edmond Parks and Recreation is excited to provide opportunities to visit some of OKC’s most popular attractions. We will meet at the MAC at the times listed below. Transportation and supervision is provided.

| <u>Take a Trip with the Parks &amp; Rec Dept. (ages 7-14)</u> |          |            | <u>Min/Max: 3/10</u> |
|---|----------|------------|----------------------|
| Frontier City   | June 14  | 1pm – 5pm  | \$20                 |
| OKC ZOO   | July 12  | 10am – 2pm | \$20*                |
| Main Event  | August 9 | 1pm – 4pm  | \$20                 |

*\*includes lunch*

**STEAM Robotics Camp****Register at [www.SteamandRobotics.com](http://www.SteamandRobotics.com)****Robotics Camp**

Your child will learn basic Robotics, Programming and Electronics in an exciting and dynamic environment. Our focus is learning about robotics and science in an independent, hands-on way.

Ages 7 to 14Min/Max: 5/15

|     |                   |                   |          |
|-----|-------------------|-------------------|----------|
| M-F | June 11 – June 15 | 9:00 – 11:30 a.m. | \$134.99 |
| M-F | June 11 – June 15 | 12:30 – 3:00 p.m. | \$134.99 |
| M-F | June 11 – June 15 | 9:00 – 3:00 p.m.  | \$209.99 |
| M-F | July 9 – July 13  | 9:00 – 11:30 a.m. | \$134.99 |
| M-F | July 9 – July 13  | 12:30 – 3:00 p.m. | \$134.99 |
| M-F | July 9 – July 13  | 9:00 – 3:00 p.m.  | \$209.99 |

**YouthTech Camps****Register at [www.youthtechinc.com](http://www.youthtechinc.com)**

Youth Tech Inc. is an interactive computer camp that focuses on providing enrichment opportunities to students in the world of computers. With a caring environment at the core of camp values, Youth Tech strives to create a positive learning community that encourages creativity, fun and academic excellence.
